

Family Discussion Guide – What is Liberty? (Ages 5–8)

Read Aloud:

Liberty means being free to make good choices that don't hurt others.
It's a special kind of freedom that comes with responsibility.

Ask Your Child:

1. What is something you are free to do at home?
2. How do we make sure our choices are fair to others?

Real-Life Example:

Imagine you and your brother both want to play with the same toy.
Liberty means talking it out and taking turns—because fairness keeps freedom safe.

Follow-up Activity:

Draw a picture of a time you made a kind choice. Share your drawing with your family at dinner.
